JUDGING RULES

For standard/jumpers rounds the following modifications to the existing AAC Rules for scoring a Master Standard/Jumpers rounds apply:

- Three refusals will not result in elimination (all refusals 5 faults no max.)

- Elimination or dismissal will result in dog not scoring any points for that event.
- Competitors that do not run in an event will score no points for that event
- If a handler intentionally directs a dog to repeat an obstacle, the run will score no points and the dog and handler must leave the course at standard course time

For Gambler Rounds, judged at Masters Gamblers rules, except:

- All wrong/off courses after the closing gamble has begun (after the first gamble obstacle has been attempted) will be recorded as a failure to complete the final gamble.
- There will be no refusals called in either mini gambles or final gamble.
- If a dog takes two gamble obstacles in sequential order in the opening sequence the judge shall blow the whistle and the competitor shall retain all opening points up to that time.
- If the handler purposely touches the dog as a form of encouragement or reward in the opening sequence, the run instantly becomes an FEO run and scores zero points.
